Guidelines for Team Report

Objective

The objective of the team report is to summarize your team's experience in each of the following stages: assembly, testing, and troubleshooting as well as the robot contest. Specifically, the report should include the following:

Team Report

The report should include the following:
   a. Title page with the team name and members.
   b. Table of contents
   c. Process of Assembly
      1. 2. 3. etc.
   d. Robot testing
   e. Troubleshooting
   f. Robot contest
   g. Conclusions and Suggestions (if any)

Appendix
   a. References including web sites visited
   b. Lab Daily Logs

Notes:
   1. Each team will submit one report.
   2. Process of Assembly is not a list of the assembly instructions from the manual. Rather, it is a general description of the assembly processes that each team member performed, list of problems encountered and how the team solved each problem.
   3. Make sure to put page numbers.

Deadline:
Team report must be submitted to Kevin or Stephen no later than 1 pm, Tuesday December 9, 2008.
